THE NEXT GIRL NEXT DOOR

We, being professional purveyors of poon, have labeled up a sumptuous feast for you to sink your chops into. But we also retain the rights to call the shots. The conditions are simple, even for the most etiquette challenged. Forget what your mother taught you about table manners and finish what's on your plate. We want you to start with dessert first. Feast well while you're at it.

Myah

I just love dressing up – just to undress. From frilly waistcoats and corsets to cute little schoolgirl skirts, these are the things that make me feel sexy. When I was younger, I loved the torn jeans and belly shirts, but my tastes have become a bit more sophisticated as I hit nineteen. But no matter what I wear, I wear my glasses best.

I just want you all to know that I am not that type of girl. I'm more like this type of girl: I've been shy all my life. I went through four years of college without ever getting laid. Really! I fooled around a little but each time the guy wanted to take it further, I froze. Now, two years later, I'm fucking and loving it. I've missed so much that I want to make up for it. And so today, I'm gonna do two guys for the first time. Applaud for me!

I hadn't seen Simone on more than five years.
Fortunately, we started up again right we here we left off.

One wild weekend

Simone's flight's arriving at ten in the morning. I couldn't wait to see my old college roommate. It had been five years and my mind drifted back to some of our experimental lovemaking. Back then, we were quite close and did everything together, including a few guys. But those days had ended as college did. Simone moved to San Jose to work for a tech company and I stayed in Los Angeles, got married and work at a major department store. On the phone we said we really missed each other, and now we're going to spend the next weekend together. I can hardly wait.

I left my car in the short term parking garage and headed towards baggage claim where I would claim my friend. Finally, I caught a glimpse of her walking towards baggage claim. I was surprised how great Simone still looked. Her round bottom and full breasts were just as I remembered. We embraced, giggled, and shed a few tears. As the afternoon passed we rekindled our friendship. We went out for lunch, went shopping, and enjoyed a little wine together at dinner that night. I soon realized that I couldn't keep my eyes off my friend. Then we said good night and I drove Simone back to her hotel and said I'd be back about eleven in the morning. I watched as Simone got out of the car and into the hotel.

Now, it's Saturday morning and I'm at Simone's door at the hotel. I had told my husband that we were going back to some of our old spots, have a few drinks and reminisce. He told me to go enjoy myself and couldn't wait to meet Simone tomorrow. I knock on the door and Simone opens it wearing only a towel. "Hi honey, come in, I was a little tired this morning and getting a late start. Just let me jump in the shower and I'll be right out." I entered and Simone closed the door and headed to the bathroom.

Ten minutes later, the sound of the shower turning off jolted me back to reality. What to do now, I thought to myself, my panties had moistened from the thought of Simone naked and dripping wet. Soon she joined me, again wrapped in a towel. "That was great, just what I needed! I was feeling all hot and sticky," said Simone. She sits on the side of the bed and pumps some lotion into her hands and rubs them on her legs. Then she unwraps the towel and does her body. "Marlie, be a dear and rub some on my back?" I walk over to her and put some lotion into my palms and rubs them together to warm it up. Simone turns her upper body and I begin rubbing the lotion onto her back. After a minute, she turns back towards me and opens her legs slightly in response to my delicious back rubbing. I run my hand down Simone's leg, and back up the inside of her thigh, as she lets out the softest moan while her body wriggled with pleasure. En-

couraged, my hand worked closer and closer to her friend's twitching pussy.

Then I felt Simone's hand between my legs, fumbling with the zipper of my jeans. "Simone, what are you doing?" I say in surprise.

"I want to do to you what we did in college." she replies, as she unsnaps my jeans. I hesitate but give in and we both pull them down and deposit my pants on the floor. I'm silent, but deep down I'm screaming inside at the thought of Simone's hot mouth clamped onto my ever-moistening pussy. She pushes me back on the bed, as then kneeled on the floor in front of me.

"You shave your pussy. It looks so good!" Simone exclaimed, as she moved her head in for a closer look. Her sizzling tongue popped out, and she licked my aroused pussy for the first time in what's been more than five years.

I slid further down the bed and pushed my wet pussy harder into Simone's face. Her tender, smooth tongue gently flicked at my swollen clit, and lightly traced my slit up and down, and back again to my throbbing clit. I cradled her face lovingly in my hands, and steered her tongue to the most vulnerable places of my soaked crotch. It took no time at all for me to raise my hips off the bed as my first climax with my new old lover enveloped me in wave after wave of ecstasy. Simone instinctively rode my bucking pussy with her mouth until my body slumped down on the bed, exhausted. I stroked Simone's hair in appreciation, but she didn't even have time to say thank you before she says, "Could you please lick my pussy?"

I immediately granted her wish, and began to taste her sweet fresh pussy with my tongue. Simone twitched as I went to work, tonguing and sucking her on her quivering crotch, and squeezing her ass for more pressure. When my stiff tongue reached lower, and darted in and around Simone's tight little brown hole, she shrieked and squirmed in response. "Marlie? That's my ass you're licking!" she blurted out, as if I hadn't noticed.

"Sorry, Simone, should I stop?" I asked.

"Hell no, it feels fucking great! I'm about to cum already!" was her reply. Emboldened, I went about forcing the length of my tongue deeper into her butt hole. Sure enough, in a few minutes, Simone's ass was bucking up and down on the bed, and her head whipped from side to side as she screamed out her climax. I lashed both her holes feverishly with my wild tongue, holding onto her spastic ass cheeks with a firm grip. I could feel Simone's body calming down, and I eased up on her. I needed some time to rest my weary, overworked tongue as well.

Now, I lowered my body down as I held Simone's head straight up, and rested my wet pussy on my playmate's face. I pressed my crotch tightly against Simone's mouth. I rubbed up and down, forcing her hot pussy and ass hole over her lips and nose. My impromptu ride turned into a mission, and I ground my trembling pussy harder and firmer, eliciting some sharp contact with Simone's exposed teeth. That sent me over the edge, and I bucked as a strong series of orgasms washed over me, covering Simone's face with my hot juices.

We're both now breathing heavily, as I dismounted. Simone sits up and reached under the bed and pulls out her suitcase. She unzips it and pulls out a handful of dildos. I knelt on the floor again, between Simone's legs, and grabbed one pushing it into her pussy. I continued to fuck my old friend with frenzied strokes, as I introduced my thumb into her anal opening. Meeting no resistance, I picked up a thinner red dildo, and slid it into Simone's tight butthole, working it in bit by bit, while pumping her

One wild weekend

pussy with the fatter green toy. Soon, I was pounding both of my friend's holes in unison. Simone tensed up in orgasmic contractions once again. I continued to fuck my friend's sexual passages until her spasms subsided.

"That was great! I didn't know you could be so… in charge like that!" Simone said.

"Well, I'm not done yet," I said. "Why don't you, go to the bathroom and clean up a little because I have to look through your goodies bag." While she was

out of the room, I pulled out several more dildos and found a black strap-on – and decided that was it. I slipped it over my hips, and adjusted the straps. Simone re-entered the room where I was waiting for her.

"Is that for me?" Simone asked enthusiastically.

"Come back here and kneel down on the pillows." I said.

I had put the bed pillows on the floor next to the bed. Simone knelt on the closest one to the bed. I knelt behind her and began rubbing her smooth round ass cheeks. I gingerly worked two fingers into Simone's hot pink pussy, massaging her erect clit with my thumb. Simone sighed and her butt stirred in response to this new stimulation. Behind her, I knelt behind her with the thick black rubber strap-on hanging between my legs. As I eased the head of the fake cock forward, the massive cock penetrated Simone's love canal, and slipped inside.

I had Simone's round ass tightly in my grip, and I began moving the large rubber shaft in and out of her wide-stretched pussy. Soon, I was burying over half of the shaft deep into Simone's slick vagina, as I squeezed and slapped her exposed ass cheeks. I delighted in watching that black plastic meat-pole disappear time and again into her moist orifice.

I had fantasized about this moment for longer than I could remember. Now, here I was, slamming that thick, black rubber intruder deep into my old roommate's delicate pussy. Just the thought of it made me so horny. I rode Simone like she was a thoroughbred coming down the back stretch, complete with several swift ass slaps. I reached down and wrapped Simone's hair around my hand, and pulled her head up off the bed. I slammed into her pussy time and again, as Simone's fragile body finally stopped spasming from her orgasms. Finally, I slid the black strap-on out of Simone's slick hole, and slumped onto the bed.

I started running my hot tongue slowly up and down the entire length of Simone's exposed loins, from her sensitive anal rim down to her erect clit, then back up again. I stopped occasionally to drive my stiff tongue into her wet pussy. It didn't take long before I felt her muscles contracting again as she pumped out more love juice all over my face.

Spent, we both laid back on the bed and hugged. Tomorrow it would be talked and decided it was going to be my turn. This was going to be one long, hot, wild weekend!

I was hoping that today would turn out as it did. I was a little depressed last night before the shoot today and I was hoping that the shoot would bring me out of my funk. And it did! I decided to dress up a little beforehand and when I got out on set, all I could think of was how good it felt to pub my pussy. And then rub it some more. Needless to say, I left that day with a big grin on my face, feeling good.

I didn't realize how sensitive my body parts were until I started playing with them. At first, when it was only me, I thought I was just too sensitive, but as I became more sexually active I found out. My breasts are incredibly sensitive and I've cum a little just by tweaking my nipples, And my clit, you can just blow on it and I'll cum instantly. Wanna try it?

GIRL NEXT DOOR

JESSICA

Some say I'm an old fashioned girl because I don't like to wear thongs. Some say I'm a modern girl because I like to have a cock up my ass. Why not bring yours here. Because If you don't, how am I going to fuck it? After you're done there, I'm going to run my tongue up and down the shaft of your cock and then I'd take my lips and wrap them around your cock's head and suck it while my hands slip down to your balls and I begin to play with them, too. Now, is there any reason your cock is still over there?

GIA & LOLITA

It's been about six months since I've had sex. Too many distractions and college took all my time. I want to get good grades so I kinda let myself go. But I'm ready again. My hormones are raging and my vibes and dildos just don't do it anymore. Time for real cock. So I showered, and just shaved my pussy and thought you might want to see. It's really pretty, smooth and silky, trust me. Now it's time to give my pussy the workout I promised it.

NAVAEH

Everyone says redheads do it better. At least that's what I've been told by all my lovers. One at a time or two at a time. They like the fire I bring to the bedroom. I think there is an extra chromosome in the hot link in our DNA genes. Well, even if it's not I want to think so and I've convinced many a guy that it is. Like these two that I'm about to fuck. They want to search for it.

four for fun

At five-foot-ten, I was pretty tall for a girl, but not as tall as some of my teammates. I was the shooting guard and made all-conference as a junior in my college basketball league. My best friend from the team was a senior. She was six feet tall. Most of the girls on the team had tried girl-on-girl sex and I knew that Bella had already slept with a couple of the girls on the team. So far I had not been approached by any of the girls. I didn't know why but I really wanted to be with Bella for my first time with a girl.

I loved taking showers with the team and noticed several of them had shaved pussies. I started shaving mine and found I really liked it that way, too. Bella shaved hers. Her pussy was beautiful. She bent over once and her lips were full and her little rose bud winked at me. I wanted so much to lean over and kiss it. She stood up and smiled at me that day and I almost melted. She called the next day and asked if I wanted to spend the weekend with her. Bella said she would pick me up and I hurried to pack. I wore my shortest skirt and my blouse was white and you could see my bra. I wore red panties because I knew it was her favorite color.

She drove her car into the driveway and I ran out with my bag ready to go. She opened the door for me and we took off. She was wearing shorts and a halter top with no bra. She was so sexy. Her hair was long and jet black. Her skin was tanned and smooth. We got to her house and she introduced me to her two roommates. Mitchell was tall – probably six foot four or so. Lana was also over six feet and as beautiful as Bella.

Mitchell took Bella in his arms and hugged her and then took me and kissed me on the cheek and hugged me tight. I blushed a little and Lana laughed and said he has a great weakness for tall girls. She took me in her arms and kissed me lightly and said 'I do too.' I blushed again and Bella grabbed me and pulled me upstairs. I didn't know what to think and Bella just laughed and said she had a very open minded household.

Her bedroom was beautiful with a king sized bed, matching dresser and a full length mirror. She laid back on the bed and asked me what I wanted to do. We could go dancing or just hang out and watch movies. I really wanted to spend some time with her alone so I said let's watch some movies. She grinned and said I hoped you would say that. She had a TV and dvd player on a table at the side of the bed.

She said 'watch this' and turned on the TV. The living room downstairs was on the screen and Mitchell and Lana were kissing on the sofa. She told me that they had little cameras all over the house. They had been broken into several times, so they installed them to catch whoever was doing it. They caught the guy the next week but just left the cameras where they had installed them.

Back on the TV, Lana was rubbing Mitchell's crotch and my eyes must have been bugging out because she laughed and said if I wanted to watch more, they will not mind, they knew they were on camera. I said

BLAIR-NTS-07

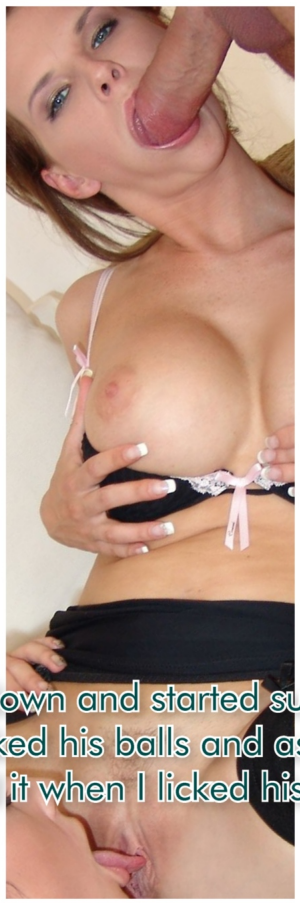

sure and she pulled me into the bed next to her and we laid back watching as Lana pulled his pants off. His cock was huge. At least nine inches long and very thick.

Bella said watch this and zoomed in for a close up. Lana leaned over and licked the precum off the tip and sucked the tip into her mouth. I was getting very wet and so was Bella as we watched her suck him deep into her mouth. It was so hot watching them and I could see him tense up and he grasped her head and started fucking her mouth as he exploded into it. She did not lose a single drop as she sucked him dry.

Bella pulled me to her and said they want to watch us now and kissed me softly on the lips. The thought of them watching made me even hotter and we kissed and took each others clothes off. Her hands were all over my body as I moaned and felt my body shake. She kissed my breasts and moved down between my legs. She lifted my legs and pushed them back as she began to lick and suck on the lips of my pussy and down to my ass. I couldn't help myself as I came a little when she pushed her tongue into my ass. She then moved to my pussy, licked deep, and finally attacked my clit.

Her fingers were deep in my pussy and ass as she sucked and nibbled on my clit. I came so hard that I kinda passed out. When I woke up all three of them were standing over me. Bella was standing there with a worried face. I smiled up at them and said that was awesome. They all laughed. Bella took me and kissed me saying I had scared her and her roommates who had been watching. Mitchell was standing there nude and his cock was still pretty hard. Lana saw me looking at it and took my hand and put it on his cock.

Instinctively I started stroking it and watched it get bigger. Lana pulled Bella to her breasts and Bella started sucking on one of them. I licked the tip tasting the precum and licking around it. He laid back on the bed as I started licking up and down the length of his cock. It seemed to get even bigger the more I licked it. I took the tip into my mouth, sucking on it as I ran my tongue around it. I loved the feel of his cock in my mouth and I started sucking it deeper.

I felt a tongue on my ass and looked back. Lana smiled at me as she licked up the crack of my ass. I went back to sucking Mitchell's cock as I felt her tongue enter my pussy from the back. I tried pushing my tongue into the slit on the head and he moaned as I probed it. Bella sat on his face and I could see his tongue licking her clit. I felt Lana's tongue in my ass pushing in deep and I moaned as I sucked him in as deep as I could.

I came again as she licked me deeper in the ass while pinching my clit with her fingers. She replaced her tongue with her fingers and fucked my ass with them. Mitchell moved my head down to his balls. I sucked them into my mouth licking them while stroking his cock with my hand. Bella moved down and started sucking the tip of his cock as I licked his balls and ass. I could tell he loved it when I licked his ass so I pushed my tongue into him as he moaned real loud. I could see He pulled Bella off of his cock and lifted me up and set me down on his cock. It filled me at once.

I started moving up and down on him with him moaning that he was going to cum. He started fucking me harder, thrusting deep into me. It hurt a little but the pleasure was so great I came over and over as he

Bella moved down and started sucking the tip of his cock as I licked his balls and ass. I could tell he loved it when I licked his ass...

filled me with his cum. I laid back smiling that it was so wonderful.

I wanted to go down on Bella so I laid her back and started licking her pussy. It was wonderful as I explored her pussy with my tongue. I couldn't get enough of her as I licked her clit, sucking it into my mouth. I pushed my fingers into her slit and ass as I licked and sucked on her pussy and clit. Her roomies broke away and watched as I pleasured her. She came over and over as I licked and sucked all the juices out of her pussy. She pulled me up, kissing me hard as we lay on each other. The roomies exited the bedroom and left us alone. Bella and I made love all night long learning each other's bodies.

The next night after we woke up, Bella wanted to go dancing at the local club. I said okay, not really wanting to go, but Bella insisted saying I would have a lot of fun. Lana said she would go into town and get us all something cute to wear. Mitchell came in a moment later and asked what was going on and Bella told him what we had planned. He said we'd have a ball. He then asked me if I enjoyed last night and I told him I loved everything, He just smiled and kissed me.

It was still several hours before we were to go, so he asked us if we wanted to watch a film with him. Bella said she couldn't right now but I could if I wanted to. We went into the den and sat on the sofa as he started the movie. Appropriately, the movie was about a cheerleader and a basketball player. They were making out in the gym when the rest of the team came in and caught them with his hand in her panties. I was getting excited when they took off her clothes and she started sucking one of them. Mitchell pulled me over to him and I started rubbing his cock as we watched.

I took his cock out of his pants and started licking it. I sucked the slit and licked all around his cock. The TV girl was being fucked doggie style while sucking another guy. Mitchell was rubbing my breasts and pussy through my clothes. I was sucking him deep into my mouth as the TV girl was taken from behind and her ass filled with a big cock. Mitchell pulled me up to his face kissing me and asked if I liked that. I told him I had never tried so he said let me. He stripped me and made me stand up in front of him with my ass to him. He bent me over and started licking my pussy and ass from behind.

He pushed one finger deep into me and then two as he fucked my ass with them. He pulled them out and I felt the tip of his cock on my ass as he rubbed it into my butt crack. He first pushed it deep into my pussy and I groaned as he fucked me, pushing it deeper into each time. I started cumming when he pulled out and I felt it push into my ass. At first it hurt, but as he pushed, I pushed back as it started feeling good. He started moving faster and I looked up and Bella was watching us fingering herself.

Bella came over and spread her legs in front of me and I started licking and sucking her pussy as Mitchell fucked me harder. I could feel his balls hitting my pussy. Bella moved behind Mitchell and rubbed his ass cheeks, maneuvering her fingers into his butt crack and deftly into his hole. She finger-fucked his butt as he was filling my ass with cum. She pulled her finger out and massaged his balls from behind, coaxing every last drop out of him and into my ass.

A minute later Lana walks through the door singing and carrying lots of pretty shopping bags. "It's time to party, bitches!" she screams.

I started cumming when he pulled out and I felt it push into my ass. At first it hurt, but as he pushed, I pushed back as it started feeling good.

My roommate told me I would like doing this. At first I was hesitant because all my fucking was in private. No one had ever watched me before, and now there's going to be a crew and they are putting me in photos and a video. You know what? I loved it. After I got over my fears in about five minutes, it was like they were never there!

Ashley & Luna

How long does it take two girls to get together for some hot loving when they are just sitting around in their undies. Oh, we say about fifteen minutes. Believe us, there have been studies made on this, and we believe them. First it starts with their tops, then a little breast kissing, then the panties come off and there's a little clit licking. Then one gets horizontal and then both. Slowly, they fondle and lick and, finally, they cum. It's been proven!

The dōTERRA ATHLETE'S KIT

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

* The dōTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own dōTerra business.
